

Hi. We're Divvy.

Divvy, from BILL, is the all-in-one expense management solution that gives you the credit you need to grow, and the software to manage it with ease.

Our free software platform gives you more control over your finances so you can get back to what you do best — growing your business.

Control all the ways your business spends, all in one place.

Business Credit

Access the funding you need, no matter the size of your business. Apply for a credit line in minutes and start spending smarter with Divvy Visa business cards for every employee.

Expense Management

Quickly categorize business purchases made with Divvy cards right from your phone. Or set up auto-categorization to eliminate expense reports AND out-of-pocket reimbursements.

Spend Management

Build a budget, divvy out funds, and watch spend come in exactly on target. With Divvy's real-time tracking and controls, your budgets work for you. And earns you rewards along the way.

“Divvy saves my finance team anywhere from 30-50 hours a month. Now, my departments have instant access to the funds they need to get the job done.”
