

Flexible Health Plan Solutions

**Built-in Cost Containment.
Concierge Level Support.**

We are fixing health insurance by putting control back in your hands and reducing costs by up to 30%. By helping you navigate complexity. And by protecting your employees' well-being and budgets.

FULL-SERVICE HEALTH PLAN

A comprehensive solution with the savings of reference-based pricing (RBP) built in

✓ 360-degree member support

A deeply supportive member experience provides personal, proactive services for the entire healthcare journey. Care navigators guide your employees to the right care. Our advocacy team makes sure they pay a fair price.

✓ Price protection

Provide access to quality care, with protection from overcharges. RBP with artificial intelligence (AI) shields employees from skyrocketing healthcare costs and preserves plan savings.

✓ Custom plan design

Build a plan that best suits you and your employees — including customized programs for pharmacy, stop loss, wellness and more.

STAND-ALONE SOLUTIONS

To complement your current self-funded health plan

Reference-based Pricing

Add the leading RBP solution to your current plan and reduce healthcare costs by up to 30%.

- Your employees will benefit from the cost savings and our advocacy team will help them find quality providers.

Direct Contracts for Quality Care

Depending on your location, members will have access to affordable high-quality care through Imagine Health's partnerships with premier health systems and physicians.

- Available in 14 metropolitan locations, members enjoy direct access to Imagine Health providers, CVS MinuteClinic®, Quest Diagnostics and IVX Health infusion centers.
-

This Texas car dealership saved 31% compared to a traditional health plan.

“They know how to get it done. I don't know if it's processes or expertise or relationships built over time, but they know how to get it done, and they do.”

Bently Durant, Chief Operating Officer and General Counsel, Classic Auto Group

Imagine360's solutions combine the financial benefits of reference-based pricing with best-in-class member support and plan administration.

Your health plan can do better.
We promise.
