

Navan: The All-in-one Travel, Corporate Card, and Expense Management Solution

T&E today is painful — companies experience 40% declines in employee productivity¹ and poor spend control due to juggling multiple, disparate vendors and solutions.

As one unified platform, Navan streamlines travel and expense to drive an average 95% reduction in time to reconciliation and 90% reduction in out-of-policy spend.

- **Industry-leading support & unrivaled inventory.** Self-serve & in-house agent support 24/7/365 and diverse inventory across air, lodging, rail and car
- **Expenses on autopilot.** Bypass expense reports with corporate cards and one-click receipt scanning
- **Fast and flexible payments.** Empower employees to spend online or on the go (on software subscriptions, meals, and more) with virtual and physical cards

NAVAN

Navan is the all-in-one solution that makes travel easy so you can focus on being there, not getting there. Say goodbye to spending hours on the phone trying to change your flight or saving stacks of receipts to manually input expenses. From EAs and finance teams to travel managers and employees, Navan empowers people to focus on the things that matter most to them — all while providing companies with real-time visibility, savings, and control.
